

## Elementary Interest Section 2004-2005

*At the last Fall Conference, we had an opportunity to solicit ideas and gauge interest from the members of elementary interest group for a spring event. Many people wanted to have some social time, share ideas related to preparing our ELLs for the MSA and get some more information on Praxis II.*

*To that end, we have planned a luncheon event to which **participants are asked to bring ideas to share and/or handouts on MSA-related materials.** Sookhee will also answer your questions on Praxis II. And you will learn more about Korean cuisine!*

*MD TESOL is going to subsidize some portion of the lunch bill, but you still need to bring some money. ☺ Here are the details:*
